## **MUNICIPAL MAINTENANCE WORKER III (R336)**

**THE SALARY**     **\$27,185.60 - \$36,566.40**

### **THE POSITION**

- Position Number: R336
- Driver's License: CDL Class B
- Area of Assignment: The employee is responsible for keeping to mowing schedules and turf maintenance quality standards for the N.E. District in the Parks Department. This position is used in the capacity of crew leader.
- Supervisor/Lead Worker: Yes
- Location: Park District, N.E.
- Hours/Schedule: Monday – Friday, 6:30 a.m. – 3:00 p.m.

### **THE CLASSIFICATION**

This is semi-skilled work in performing diversified manual and maintenance work on municipal facilities and property.

An employee in this class may be responsible for the operation of equipment used in maintaining municipal grounds such as riding lawn mowers, water hogs, rollers, chippers, front-end loaders, dump trucks, and other equipment and vehicles of similar complexity. The employee may also perform semi-skilled tasks in maintenance of municipal facilities and property, such as painting, plumbing, masonry, and landscaping work involving the use of hand and power tools. An employee in this class usually functions as a leadworker over employees of a lesser rank. Employees who are not leadworkers operate the more complex equipment and/or perform more diversified tasks. Work is normally performed under supervision of a higher classified employee who issues written and oral instructions and reviews work. Constant supervision is not necessary for routine and repetitive tasks.

### **THE REQUIREMENTS**

1. For positions involving supervisory/leadworker responsibility, must have at least three (3) years of experience in area of assignment, which included some supervisory experience as a leadworker or crew worker.

OR

For trades helper and other non-supervisory positions, must have at least one (1) year experience in area of assignment.

2. Possess a current and valid State of Florida Driver's License. Depending on the position, a Class "B" Commercial Driver's License (CDL) may also be required. An air brake endorsement may be required for some positions.
